## £1bn COVID nightmare for Premier Inn

THE owner of Premier Inn sank to a huge £1billion loss in the past year as the COVID lockdown hit hard.

Whitbread said the loss was due to the vast majority of its estate being forced to shut.

Restrictions during more recent lockdowns also hit the business, with occupancy levels at just 23% in January and 29% in February.

But bosses hope a boom in staycation bookings will help the company recover this summer, with business travel and event-led stays coming back to the sector later in the year.

To try to capture more customers, the firm plans to invest £350million in refurbishments and improvements, while new advertising fronted by comedian Sir Lenny Henry (above) will be launched – the first such campaign for three years.

## Shoppers back at supermarkets

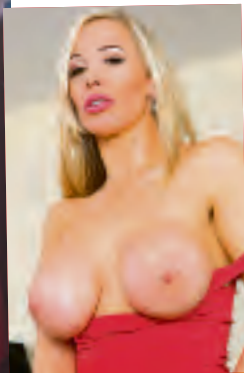

SHOPPERS are making more trips to supermarkets and buying less online as lockdown lifts and the vaccine rollout boosts confidence.

Figures from Kantar show online supermarket sales growth has halved since the height of the pandemic, to 46%, while the number of trips to grocery stores rose by 4% month on month in the four weeks to April 18.

Kantar said older shoppers accounted for nearly half of the rise in footfall to stores. Overall supermarket sales rose by 5.7% to £31.6 billion in the 12 weeks to April 18.

## If you're 42, go and get that jab!

PEOPLE aged 42 and over in England can now book a COVID-19 jab, the health secretary has said.

Those due to turn 42 by July 1 can also book an appointment under the latest extension of the vaccine rollout.

Matt Hancock, who is 42, said he was "really looking forward" to getting his invitation via text and urged others to book their jab.

Around 33.7 million people in the UK have now received their first dose and almost 12.9 million are fully vaccinated.

The extension comes a day after the vaccine rollout opened to those aged 44 in England.

In a video posted on Twitter, Mr Hancock said the rollout had gone "very, very well" and "now we're able to go that little bit further".

NHS medical director Prof Stephen Powis said the success of the rollout "hasn't happened by accident".

"It is down to months of careful planning and sheer hard work by nurses, doctors and countless other staff supported by our volunteers," he said.

UNDER FIRE: Macron

# FRANCE HEADS FOR CIVIL WAR

## Generals call for MILITARY COUP as country falls apart

**TWENTY retired French generals have called for military rule if President Emmanuel Macron fails to halt the 'disintegration' of the country 'at the hands of Islamists'.**

The threat came in an open letter published ahead of next year's presidential election.

The open letter, published in *Valeurs Actuelles*, a right-wing news magazine, claims a military coup might be necessary to stop a 'civil war' in France that would lead to the death of thousands.

The letter has been condemned by President Macron's government, who compared it to the failed coup by generals against President de Gaulle 60 years ago.

However, far-right National Rally leader Marine Le Pen hailed the

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

letter, which was signed by 80 retired officers as well as the 20 generals.

The lead signatory was Christian Piquemal, 80, who commanded the Foreign Legion before losing his privileges as a retired officer after being arrested while taking part in an anti-Islam demonstration in 2016.

It was written by Jean-Pierre Fabre-Bernadac, a former officer, and signed by 1,000 others who were in lower ranks.

The incendiary letter reads: "France is in danger. Several mortal perils threaten her. Even in retirement, we remain soldiers of France and cannot in the present circumstances remain indifferent to the fate of our beautiful country."

The retired officers claimed France was "disintegrating with the Islamists of the hordes of the banlieue [suburbs]

JOIN US: Far-right leader Marine Le Pen supports the 'battle of France'

who are detaching large parts of the nation and turning them into territory subject to dogmas contrary to our constitution".

President Macron also came under fire, with the retired officers blasting the state for allowing brutal police action against yellow vest protesters in the country.

They also claimed they had broad support in the military and were

"ready to support" politicians who focused on the "safety of a nation".

The thinly-veiled declaration of support was seized upon by far-right Le Pen, who wrote on the site of the magazine where the letter was published: "I invite you to join our action and take part in the battle that is opening and is above all the battle of France. As a citizen and as a woman politician, I share your suffering."

# GLOBAL WARMING 'WILL MAKE EARTH CRASH INTO THE SUN'

GLOBAL warming is making the Earth "wobble" on its axis, leading to fears our planet may fall out of orbit and plunge into the SUN!

The melting of glaciers as a result of climate change has knocked the Earth off its axis, according to boffins.

The North and South poles have moved about 13 feet since 1980, with melting glaciers accounting for most of the shift

since the 1990s, according to a study published in *Geophysical Research Letters*.

Also contributing to the shift were natural factors, including ocean currents and the pumping of groundwater.

"The accelerated terrestrial water storage decline resulting from glacial ice melting is thus the main driver of the rapid polar drift toward the east after the 1990s," the study said.

"This new finding indicates that a close relationship existed between polar motion and climate change in the past."

One boffin said: "The Earth's rotation and orbit are closely-related and highly complex mechanisms. Any disruption could see us heading into the fiery furnace of the Sun or spinning off into the frigid wastes of deep space. Neither options are good."

**HOLLYWOOD stunna Sydney Sweeney was subjected to a filthy online pile-on when she posted a cute photo on Instagram.**

The *Once Upon A Time In Hollywood* beauty uploaded a photo of herself sitting on the side of her bathroom washing basin in only a bathrobe and a towel around her head.

She is seen provocatively running a razor down what seem to be already perfectly smooth legs.

But it didn't take long for the mucky-minded to take notice and start commenting on the snap.

One Insta user, nyczendaya, said vilely: "Shit on me."

## Vaccine overdose gave lags itchy balls

**PRISONERS** who were accidentally given massive overdoses of COVID vaccine were plagued by **ITCHY BALLBAGS!**

The mishap occurred at Iowa State Penitentiary in Fort Madison, where 77 cons at the maximum security prison were given up to six times the right dose.

The mother of one inmate said her son reported worrying symptoms after a staff member told him he received six doses of the vaccine.

"When he woke up, he had a big knot underneath his arm and he said his genitals were itching," she said.

"When he went to wash up, then it was bleeding. There was blood all over the washroom."

## Homeless out and glitz in for 'woke' actors

HUNDREDS of homeless people were rounded up and shifted to avoid upsetting "woke" actors arriving at the Oscars to spout bollocks about how caring they are.

The city of Los Angeles allegedly kicked homeless people out of an encampment next to this year's Academy Awards venue to present a glitzy "image" while in the national spotlight.

The down-and-outs, many living in tents near Union Station, were allegedly threatened and ordered to leave in the days leading up to the star-studded event.

"They were coming and harassing us three or four times a day," one homeless man said.

"They told us if we didn't move, they were gonna just demolish our stuff."

"They forced us to go to the Grand Hotel and kicked everybody out of Union Station so it looks better for the image."

The star has in the past also peeled off for roles in *Laurel Canyon* and *Short Cuts*.

- 5 Sexy lingerie
- 6 Happy to give oral sex
- 7 Keen to try new things
- 8 Good kisser
- 9 Enjoys spontaneous sex outside of normal times
- 10 Enjoys dirty talk

THE top ten qualities you need to be a sex stud have been revealed.

Women above all want a man who puts her pleasure before his own.

The second most important quality for women is that their partner enjoys foreplay.

In third place are men who wait for their partner to climax before they finish.

Fourth place goes to men who don't fall asleep straight after sex is finished.

And fifth place goes to men who are sensitive with their hands.

The results are from a new survey of 2,000 people by *IllicitEncounters.com*, the UK's leading affairs site.

The ten qualities men most

desire in a sexual partner are strikingly different.

In first place is a woman who clearly shows that she is enjoying sex.

In second place is a fit and athletic body, while third place goes to women who are happy to initiate sex.

In fourth place on the male list is great boobs and fifth is women who wear sexy lingerie.

The survey found that 74% of men and 67% of women have ended a relationship because the sex is not right.

Eight out of ten men (82%) but fewer women (62%) said the key to maintaining a good sex life was having a partner who realised good intimacy was the key to relationship success.

*IllicitEncounters.com* sex and

relationship expert Jessica Leoni said: "What these findings show is that men and women have completely different priorities when it comes to good sex."

"Women are looking for an unselfish lover who always puts their partner's needs first and is never rude enough to orgasm before he has taken care of his partner."

"Men most desire a partner who is keen to take the lead in the bedroom, show that she is having a good time and try new things."

"Most sexual problems in relationships come about through complacency."

"Couples get bored of doing the same things every week. That is the key driver in unhappy spouses starting affairs."

# Boris bombshell Cabinet ultimatum days before key elections

## BACK ME OR I QUIT!

**SLIPPERY:** Michael Gove is front runner to replace Johnson

THREAT: PM has come out fighting

**BORIS Johnson yesterday told colleagues "Back me or I quit" in a "heated" Cabinet meeting.**

The PM has been under increasing pressure thanks to a row over who paid for renovations to his official

By **COLIN HURST**

flat and claims he said he would rather see "bodies pile high" than approve a third lockdown.

And going head-to-head with senior colleagues,

including Rishi Sunak and Michael Gove at Number 10 yesterday, the PM threatened to go nuclear just days before local government elections and the Hartlepool by-election on May 6.

Mr Johnson is said to be particularly angry at what he sees as less-than-full public support from slippery Michael Gove.

On Monday Mr Gove, a front-runner to replace Boris if he fell, said he had "never heard" the PM talk of piled bodies, cleverly avoiding denying Mr Johnson had uttered the words.

A senior source said: "When Boris is in a corner, he comes out fighting."

"And he knows he's fighting for his political life now."

### Shocking

"The row over who paid for [PM consort] Carrie's new curtains is one thing, but the allegations he said he's rather see bodies piled high are much more serious."

The PM has strongly denied using the words, first reported in Monday's Daily Mail, describing the reports as "total rubbish".

Independent sources have confirmed to both the BBC and ITV News that the PM did use the shocking language.

On Monday, the UK's top civil servant Simon Case said Mr Johnson had asked him to review how a

refurbishment of the No 11 flat was funded – after former spin chief Dominic Cummings alleged the PM once planned to have donors "secretly pay" for the revamp.

Spooks at MI5 have now been brought in to find the source of repeated damaging leaks from Number 10.

The leaker has been nicknamed "chatty rat". Our source said: "Cabinet ministers have to weigh this carefully. On the one hand, Boris is a proven winner who delivered a thumping majority and is very popular in the country."

"On the other hand, they will be reluctant to strongly back Boris's denials he talked about piles of bodies."

"Remember, he once called claims he was having an affair with journalist Petronella Wyatt as 'an inverted pyramid of piffle' and it turned out he'd been hanging out the back of her for years."

"Ministers will be aware that if they nail their colours too firmly to Boris's mast, they may sink with him."

## Gemma takes naked dip for the dolphins!

TOWIE tubby Gemma Collins has stripped off for the dolphins for a PETA campaign.

Completely naked, the 40-year-old diva (above) posed in a bath (above) for the poster.

Gemma draped her leg along the ledge of the bath and rested her head on the side for the shoot.

In red writing, it posed the question: "Could you spend your life in a bathtub?"

The slogan added: "Orcas and other dolphins at marine parks suffer for decades in cramped tanks comparable to bathtubs. Don't go to marine parks."

Gemma has been a long-time supporter of PETA and often teams up with them for their campaigns.

About this campaign, she previously said: "When people say, 'Oh, my God, why has this whale killed one of our trainers?'"

"It's because it's an animal that was taken from its mother in the wild, to live their life in a bathtub. People make money off parading these animals."

BP swung to a mammoth £2.4billion profit in the first three months of 2021 thanks to "significantly" higher oil prices.

The oil giant's replacement cost profits haul is better than expected and marks a bounce back from losses of £452million a year earlier when the coronavirus crisis struck and sent the price of crude plummeting.

On an underlying basis, BP's replacement cost profits – the group's preferred measure – surged to £1.9bn in the three months to March 31 from £569m a year earlier and just £83m in the previous quarter.

BP said: "This result was driven by an exceptional gas marketing and trading performance, significantly higher oil prices and higher refining margins."

While another drooled: "Choking my rooster now."

# THEY'RE GONNA DIE!

## Musk's grim prediction for Mars mission space pioneers

**ELON Musk has admitted that "a bunch of people will probably die" in the race to get to Mars.**

The SpaceX pioneer made his blunt prediction as he laughed at how his planned Mars mission was being seen as "some escape hatch for rich people".

"You might die, it's going to be uncomfortable and probably won't have good food," Musk told Peter Diamandis, the founder and chairman of the X Prize Foundation for scientific discovery.

Advertisements for the journey should note how it will be an "arduous and dangerous journey where you may not come back alive", Musk said with a chuckle.

"Honestly, a bunch of people will

probably die in the beginning," he said, while insisting it will also be "a glorious adventure and it will be an amazing experience".

It's "not for everyone," he stressed and added with another chuckle: "Volunteers only!"

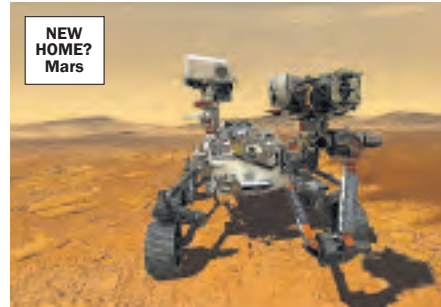

Musk's space company has launched more than 100 rockets over the past decade in its effort to bring tourists to the Moon and Mars – but a number of the unmanned prototypes have gone up in flames.

Still, Musk predicted that his company will have humans on Mars by 2026.

In 2015, Musk talked about putting a city on Mars after a successful rocket landing by SpaceX.

He then published a paper in June 2017 on making humanity a multi-planetary species, laying out plans for having as many as one million people on Mars.

**SPACEX'S** Crew Dragon Endeavour spacecraft had a close call with an unidentified object before successfully reaching the International Space Station.

US Space Command warned the crew aboard the spacecraft of a possible collision with an unknown object after launching into orbit.

"The possibility of the conjunction came so close to the closest approach time that there wasn't time to compute and execute a debris avoidance manoeuvre with confidence, so the SpaceX team elected to have the crew don their pressure suits out of an abundance of caution," NASA spokesperson Kelly Humphries said.

At its closest point, the object passed about 28 miles away from the spacecraft.

## It's a record 'cop out' at the NYPD

COPS in the Big Apple are quitting in record numbers, leading to fears the city is heading for total meltdown.

More than 5,300 NYPD uniformed officers retired or put in their papers to leave in 2020, a 75 per cent spike from the year before.

The exodus – amid the pandemic, riots, anti-cop hostility, a skyrocketing number of NYC shootings and the killing of George Floyd – saw 2,600 officers say goodbye to the job and another 2,746 file for retirement.

The departures and planned departures of 5,346 officers represents about 15% of the force.

By the beginning of April, the NYPD headcount of uniformed officers had dropped to 34,974 from 36,900 in 2019.

Joseph Giacalone, a retired NYPD sergeant and adjunct professor at John Jay College of Criminal Justice said: "Cops are forming a conga line down at the pension section and I don't blame them."

"NYPD cops are looking for better jobs with other departments, or even embarking on new careers."

## Man, 90, guns down feud woman next door

A MAN aged NINETY has been nicked for shooting dead his neighbour opposite a police station.

The deadly attack happened following an ongoing dispute between the elderly suspect, Clent Morris, and the unidentified neighbour.

Police headquarters is located across the street from the scene in Trenton, New Jersey, and three detectives "were close enough to hear the gunfire" and immediately respond.

"The detectives saw a female victim suffering from gunshot wounds," police said. They "entered the house and found Clent Morris suffering from a wound to his eye".

The 90-year-old was arrested and taken to a hospital for treatment. Police said a handgun was recovered.

"It appears the suspect and victim knew each other and have had disputes in the past," Trenton Police said.

**VICTIM:**

suffered

wound

**BITE  
NURSE:**  
Stilwell  
attacked  
driver

**A CRAZED grandmother choked an Uber driver before sinking her teeth into his neck "like a pitbull".**

Michael Hassey Jr., 22, says passenger Michele Stilwell fell asleep in his car while he was driving, but then suddenly woke up and lunged at him.

The 55-year-old reached forward from the back side seat and wrapped both hands around his neck, according to cops in St. Petersburg, Florida.

Hassey pulled over and tried to get away, but Stilwell crawled forward onto the centre console and bit 'deeply' into his neck and scratched his chest.

### Screaming

She 'continued to bite, strangle and claw at the victim, who was unable to defend himself', police said in their arrest report.

Stilwell's neighbours said the unprovoked attack was out of character for the respected nurse.

In Pinellas County Sheriff's Office's report, the arresting officers checked a box indicating Stilwell was under the influence of alcohol.

Hassey said he picked Stilwell up

from Cask Social Kitchen in Tampa.

He said Stilwell was asleep for most of the ride to her home in St. Petersburg but suddenly 'sprouted up' and attacked while screaming 'My daughter'.

"She started screaming curse words at me and slapped me in the face," Hassey said.

"She sinks into my neck like a pitbull, shaking her head and stuff. I could hear the flesh tearing away."

Stilwell knocked the phone from his hand when he tried to call the cops, and he was screaming that he couldn't breathe.

Hassey said he didn't fight back because he didn't want to hit a woman.

He also described the event as "emotionally traumatising" and said he was seeking a psychologist.

His panicked cries for help were heard by passersby, who rushed to his aid and pulled the woman off him, according to the police report.

Stilwell, a registered nurse in Florida since 1996, was arrested and charged with aggravated battery and tampering with a witness.

## COLIN GETS BATTERED!

THE Colin the Caterpillar wrangle took a tasty new turn, thanks to a chippy selling DEEP FRIED Colins!

M&S, who make Colin, has launched legal action against Aldi, claiming it infringed the copyright of the cake by producing their own version called Cuthbert.

And after seeing the nation split, one chippy is throwing its weight firmly behind Cuthbert, by "battering" Colin.

Papa's Fish and Chips, which has outlets in Hull, Cleethorpes, Whitby and Scarborough, is selling deep-fried mini Colins. Posting on Twitter,

Papa's said: "Sorry @MarksandSpencer we're backing @AldiUK on this. #SnitchersGetBattered so

we're battering Colin the Caterpillar in our delicious sweet batter Mon 26 and all profits go to @teencancertrust."

The deep-fried treats cost £1.49 each, with the money going to the cancer charity.

Owner Dino said: "It's all a bit of fun and a great way to raise money for charity."

## COOKING DOESN'T GET ANY BOOBIER THAN THIS!

By GRACE HOOPER [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**TELLY producers have this really neat trick.**

They get some half-arsed idea, suck the marrow out of it, then bring out a "new" show – which is just the old show with the word "celebrity" hastily nailed on to the front.

And, these days, the world "celebrity" is so flexible that it even applies to "some c\*\*t off YouTube".

So there's no shortage of participants.

Last week, *Celebrity MasterChef* announced its line-up of 20 personalities who will enter the infamous kitchen.

And happily, there were some you may recognise.

TV star and model Katie Price has had a busy year in the headlines but will now

shift attention from her personal life onto her culinary skills.

The celebrity edition of the show will also include Happy Mondays star Bez, *Strictly Come Dancing* professional Johannes Radebe, actress Su Pollard and Blue singer Duncan James.

Beefing up the bare boob count for *Sport* readers are Mel Sykes, Penny Lancaster and Michelle Collins.

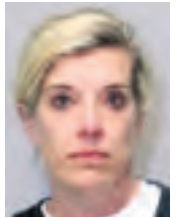

Former *EastEnders*

Rita Simons will also join John "He's shagging Lisa Faulkner" Torode and costermonger Gregg "Two Gs" Wallace.

The winner will follow in the footsteps of Irish-Iraqi broadcaster and YouTube star Riyadh Khalaf, who won the 2020 series.

One telly viewer said: "Never watched it, never will."

"I stopped watching cooking shows when they got rid of the Galloping Gourmet."

### Teacher held after snorting coke at desk

A KINDERGARTEN teacher was caught doing COCAINE on her desk while the kiddies were out at playtime.

Cybil Billie, 46 (above), was taken into custody after an administrator contacted a school cop about possible drugs.

A colleague had reportedly seen Billie snorting a line of coke while children were playing outside at Lakeview Elementary School in Virginia.

The officer spoke with Billie and found what appeared to be the illegal drug in her classroom desk.

Officer William D. Sroufe said she was taken into custody and the arrest was handled "tactfully," adding:

"The safety of students is a top priority and we will continue to follow School Board policies and procedures throughout this process. Families with any concerns, or who may need additional support during this time, may contact Lakeview Elementary School."

Billie was booked for possession of cocaine and is being held until a court date in June.

### Gun sales in US shoot up

GUN sales in America hit record highs for the second year in a row, following a month that saw a mass shooting nearly every week.

The FBI has seen a mounting number of instant background checks, which are needed for a licenced firearm store to sell a weapon, throughout 2021.

The agency processed four million checks in January, 3.4m in February and 4.7m in March this year. Those numbers are increases from last year, when 2.7m checks were conducted in January, 2.8m in February and 3.7m in March.

Six of the 10 days that saw the most background checks in the FBI's history came last month and included the highest volume in a week since 1998 with 1,218,002 checks from March 15 to 21.

"You are always waiting for his transformation into the monster."

# The killer who inspired SEVEN films

## ED GEIN... ULTIMATE MOVIE MURDERER

**TERRIFYING:**  
Cops found  
a house of  
horrors when  
they arrested  
psycho Gein

YOU might not recognise the name of Ed Gein but you've almost certainly seen some version of him on the big screen.

His horrific real-life crimes have arguably spawned more Hollywood movies than any other murderous maniac.

That said, Gein wasn't what most of us would consider a "proper" serial killer.

After all, he admitted to "only" killing two women.

Rather, he was a body snatcher who had a worrying obsession with his deceased mother, Augusta.

After she passed away, Gein was the sole survivor of his family, a loner who lived on a farm making a living as a handyman in Plainfield, Wisconsin.

In 1957, after the town's hardware store owner Bernice Worden went missing, Gein was the last person reportedly seen there.

After his arrest, police searched his home and found Worden's headless body and a museum of horrors they couldn't possibly imagine...

### INSIDE Gein's farmhouse was an array of human body parts.

Skulls used as bed posts, waste baskets and chair seats made of human skin, nine salted vaginas in a shoebox, leggings made from leg skin, a belt made out of nipples, and masks made from the faces of real females.

After admitting to the murders of both Bernice Worden and tavern owner Mary Hogan (the latter had been killed in 1954) Gein revealed that the rest of the body parts scattered about his house came from stealing female corpses from local cemeteries.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

His goal? To make a body suit of human flesh in order to slink back into his mother's skin.

Gein was deemed legally insane and institutionalised at a psychiatric ward in Wisconsin.

In 1984 he died of cancer and respiratory problems at the age of 77. He was buried at his family plot in an unmarked grave.

But the revelations of Gein's demented compulsions changed America forever and inspired a slew of horror films, quite a few of which have achieved iconic status.

## REAL-LIFE MOVIE KILLERS

**MADMAN AND MUM:** Gein lived alone at his farm and tried to be his late mother Augusta (above)

### PSYCHO (1960)

GEIN'S haunting infatuation with his mother has now become a trope for many demented horror characters who kill.

Norman Bates in Alfred Hitchcock's *Psycho* is a prime example.

However, the idea for Bates wasn't taken directly from Gein, but instead from the imagination of novelist Robert Bloch, who wrote the book the film was based on.

But there was a creepy connection: Bloch was actually writing his novel just 35 miles from where Gein lived.

It was only just before he finished his book that Gein's murders came to light.

Bloch was shocked at how closely Bates' actions and motivation resembled Gein's.

**IN THIS FRIDAY'S** **WEEKEND Sport**

**THREE ON A MEATHOOK (1972)**

DOES exactly what it says on the tin.

Directed by horror filmmaker William Girdler, *Three on a Meathook* tells the story of four young ladies whose car breaks down in a small town.

A local farm boy helps them out and ultimately lures them to his family's house where his killer

father, Frank, waits to eat them.

Like Gein, Frank has an obsession with his dead mother, along with hanging his victims from meathooks, which Gein did to Bernice Worden's body.

Although it was never proven that Gein ate his corpses, it was widely assumed that he did.

**THE TEXAS CHAINSAW MASSACRE (1974)**

VERY loosely inspired by Gein's terrible story, *The Texas Chainsaw Massacre* took the real-life body snatcher's obsession with human skin and used it to build its character Leatherface, who hid behind face masks made out of human flesh.

Although the film's family of

murderers had no relation to Gein, other more conspicuous inspirations from the troubled man are in the movie.

Body parts used as home decoration, the strong hint of cannibalism, and the mummified carcass of the family's matriarch sitting in the house.

**DERANGED (1974)**

**DERANGED** is perhaps one of the closest films that depict the life of Gein.

The slasher comedy-drama centres around a middle-aged mid-western farmer whose overly religious mother dies.

He keeps her corpse around the house, and to satiate his

dark desires, begins to rob corpses from the local graveyard so that they can keep his dead mother company.

Eventually, he turns to murder and enjoys skinning his victim's bodies and making facemasks out of their flesh.

**THE SILENCE OF THE LAMBS (1991)**

THE serial killer Buffalo Bill in *The Silence of the Lambs* not only had his origins in Gein but also from other famous serial murderers, such as Ted Bundy, Gary Heidnik and Ed Kemper.

Buffalo Bill's obsession with female human flesh and making suits out of his victims' skin was a direct nod to Gein.

**CHILD OF GOD (2014)**

CO-DIRECTED by James Franco, *Child of God* was an adaptation of novelist Cormac McCarthy's 1973 book by the same name.

Although McCarthy's book was inspired by a different real-life murderer based in Tennessee, the central

character shared many similarities with Gein.

In the film, Lester Ballard is a loner who lives in the middle of nowhere as a deranged social dropout.

His necrophilia comes to life, and grows, after stumbling upon dead corpses in a car.

# SPORTS MISS ROMPED WITH TEEN IN HER CAR

**ARRESTED:** McCalister has been suspended from school (below)

**A CATHOLIC high school teacher has been accused of seducing a 15-year-old student and having sex with him in her car.**

Corissa McCalister, 21, was arrested and charged with two counts of sexual battery, according to Harrison County, Ohio, prosecutor Lauren Knight.

McCalister, of Steubenville, Ohio, who teaches Spanish at the Central Catholic High School and is also a sports coach, has since been put on administrative leave.

None of the alleged romps happened on school grounds.

**Erection**

The mother of the alleged victim, a pupil at the school, told school staff about the allegations, according to the Harrison County Sheriff's Office.

County Sheriff Joe Myers said the main incident occurred on March 30 at Harrison County Fairgrounds when McCalister drove the teenage student home from an athletics event.

Myers alleged that McCalister parked at

the fairgrounds in Cadiz, Ohio, and masturbated the lad to erection before having sex with the juvenile.

McCalister is also an assistant track coach and head cross country coach at the school, according to the report.

According to her LinkedIn profile, McCalister graduated from St Francis University in Loretto, Pennsylvania, in 2020, with a bachelor's degree in Spanish education and minors in English literature and Spanish health services.

McCalister received the 2020 Spanish Award, given to the best overall Spanish major.

**WHAT'S ANNOYING HIM THIS WEEK?**

## What's so special about all these gushing bores?

**THERE'S something REALLY irritating about the expression: "It's all right for some."**

It's normally heard hissing out of the mouth of a maiden aunt on seeing you've bought yourself a fancy new car.

It's irritating because it somehow touches a nerve – as though you're not supposed to have nice things because they haven't got any, either.

Nevertheless, that was the overwhelming impression felt while catching up with footage from Sunday night's Oscars awards ceremony.

It was a half-live, half-virtual event, but there were still enough bodies in the venue to raise questions about COVID-19 restrictions, for starters.

In case you hadn't noticed, until just over a fortnight ago we had to stay inside – unless we needed vital booze, chocolate and microwave chips from the Co-op, or an essential wheelbarrow from B&Q.

### Gushing

Seeing people from another household was a no-no. Unless they worked in a chippy or kebab house.

Or, if you did see someone, they had to be in your "bubble" – a term never adequately explained and thus willfully ignored by many.

But just like their pay packets don't look anything like ours, nor are the rules in Hollywood the same as for the rest of us.

The Sunday night extravaganza saw the likes of *Fatal Attraction* star Glenn Close gathering with others for the annual borefest that is actors gushing about the world and their views on it.

Though why these people – whose only job is to dress up in someone else's clothes and speak other people's words – think that somehow makes them a

sage commentator on events is anyone's guess.

The school sports day-on-stilts event had a suspiciously high number of Tinseltown regulars in real-life attendance.

Not for them staying in a quarantine hotel for two weeks before venturing out into the public, however.

No, the pampered pooches of Bel Air and Venice beach instead were instructed to live a "low-risk lifestyle" for

ten days before the ceremony, whatever that means.

As a chap on that lovely place Twitter commented: "Ten days without snorting coke out of an underage refugee's arsehole while being wanked off by a dwarf? Poor lambs."

**I COULDN'T** give a toss who paid for Boris Johnson's new wallpaper, any more than I care how much Keir Starmer spends on Brylcreem.

**But I DO** give a toss about a lady called Nazanin Zaghari-Ratcliffe, a British-Iranian who has just received yet another prison sentence in Tehran.

Her only "crime" is to be a pawn in political games between Iran and the West in general, and with the UK in particular.

They're pissed off with us because they paid us hundreds of millions years ago for a load of tanks – and while we kept the cash, we didn't offer up any tanks.

Which is why they keep arresting and imprisoning charity worker Nazanin, who was first held over there on concocted spying charges while visiting family with her young daughter.

Seeing as the government is splurging cash all over the place at the moment, it's time we bit the bullet and paid Iran its money back.

## Star Wars: Return of the Tidgy Stormtrooper!

AREN'T you a tad short for a stormtrooper?

It took more than three weeks but this three-foot *Star Wars* stormtrooper figure found its way back to the shop where it had been stolen.

The stormtrooper was located in a home in Wyandanch, on New York's Long Island, store owner Richard McWilliams said.

The person at the home had apparently bought the statue not realising it was stolen and turned it over to police.

"I'm definitely surprised," McWilliams said.

"I did not expect to get him back. I guess he took a vacation. And who knows what he saw over the last few weeks?"

Carissa Savillo, 34, was arrested for stealing the figure and charged with theft.

It was taken from the front of the Blast from the Past retro video game store.

Surveillance from the store showed two women walking off with the figure.

## 'I lost everything' flood victim wins £2m on lottery

A MAN who "lost everything" in a flood has won £2million on a scratchcard

The lucky 29-year-old, who chose to remain anonymous, said he "couldn't stop shaking" when he found out about his change in fortune.

"Last year, I lost everything in a flood, so to win this prize is so overwhelming to me," he said.

The man was on his way to pick up his kids from school when he bought a ticket for the lottery's Lucky 7s instant game at a grocery store in Midland, Michigan.

"I scratched it off when I got back to my car," he said.

"When I saw I had a match, I thought 'Great, I won my money back!'"

"When I saw I had actually won, I couldn't stop shaking."

# TRIBUTE TO THE WORLD'S MOST FAMOUS PIN-UP...

**STORM IN A DD CUP:** Tempest's boobs were drooled over by millions

By **SIMON DEAN**

[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**LOVE** *Island* stars who are snapped with dildoes up their minges or Z-list celebs baring all on OnlyFans may reckon they're breaking new ground.

PAH!

Today *Midweek Sport* pays tribute to legendary stripper Tempest Storm, who was getting 'em off before most modern celebs' GRANDFATHERS were born!

The burlesque performer, star of early Russ Meyer films and later rock generation icon, died last week in her Las Vegas apartment. She was 93.

Storm was born Annie Blanche Banks in Eastman, Georgia, and at the age of 20, already married twice, moved to Hollywood.

At first working as a cocktail waitress, she soon found work as a striptease performer with the Follies Theater.

She adopted the stage name Tempest Storm in 1950 and, shortly after her arrival in L.A. became friends with neighbour Marilyn Monroe.

**LOVERS:** Tempest had romantic flings with many of the richest and famous men in the world

By the mid-1950s, Storm had become an internationally famous nightclub performer and was featured in the early Russ Meyer exploitation films *French Peep Show* (1950), *Paris After Midnight* (1951) and *Striptease Girl* (1952).

### Cult

In 1955, she shared the silver screen with Bettie Page in Irving Klaw's destined-for-cult-status classic *Teaserama*.

In 1956 Storm became the highest-paid burlesque performer in history with a 10-year contract for \$100,000 a year with the Bryan-Engels production company.

She first performed in Las

Vegas in 1951, and in 1957 began performing at the Dunes Hotel and Casino. She headlined on the Strip until the late 1980s.

Among her famous lovers were Elvis Presley, Mickey Rooney, Louis Armstrong, Sammy Davis Jr, gangster Mickey Cohen and even U.S. President John F. Kennedy.

Storm, who moved to Las Vegas in 2005, gave her final performance in June 2010 at a Burlesque Hall of Fame reunion show.

Here are some photographs of her flashing her much-desired flesh from the golden age of stripping.

# THE WORLD FAMOUS AGONY Page

**Dear Sam,**

I'm a bloke and I have been a ladies' hairdresser since I left school – and no, I'm not gay.

Recently, I launched a mobile service and about a month ago I went to a house for an appointment with a woman who was absolutely stunning.

As I was cutting her hair I accidentally brushed my groin against her and she smiled as she felt the stiffy I was sporting.

And she continued to smile as she started to rub my hard cock and then slowly unzip my trousers.

It was my turn to smile as she took my eight-incher into her mouth and slurped on my manhood.

Then we moved upstairs and f\*\*ked each other senseless for the next three hours.

Now she's a regular weekend customer and I'm wondering if I should start charging her for my extra services. Should I?

*SL, Hampshire*

### Sam says...

**NO. Just accept it as a perk of the job**

**Dear Sam,**

I'VE been shagging my driving instructor, a sexy brunette lady, for months, I'm 18, still at college, and she is 35 and married.

She started flirting with me on my very first lesson and after the second she gave me a nosh on the back seat, parked up in a quiet country lane.

I couldn't believe my luck when she sucked me off for five minutes and then wrapped her 32D tits around my cock before I exploded all over them.

After my next lesson, I licked her out and she begged me to ram her from behind.

We have had sex in her car and at her house, because every other week her husband is on nights.

The problem is that I've deliberately failed my test twice now so I can keep seeing her.

But the lessons are costing me a bloody fortune.

What should I do?

*TD, Leeds*

### Sam says...

**PASS your test and she may give you MORE sex!**

# Bonking wife and home help is wearing me out!

**Dear Sam,**

MY wife and I both work full time and so we took on a nanny to help at home a few months ago.

She's a busty Australian and it wasn't long before we started shagging.

I was off work one day and saw her standing in her room starkers.

She beckoned me in and we were immediately kissing and groping each other, as she ripped my clothes off.

I lay her on the bed and licked her sopping pussy, then she got down on her knees and sucked me off like a pro till I filled her pretty mouth with my hot semen.

We had the most amazing sex and have been doing so for a few weeks.

My wife doesn't suspect a thing but the hired help keeps playing footsie with me under the table at shared meal times.

I'm infatuated with her and I've been taking a lot of time off work just to bonk her.

I've also been having sex with my wife in between, to keep her happy, but it's exhausting. I'm worried I'll lose them both – and my job – as I keep dozing at my desk. What should I do?

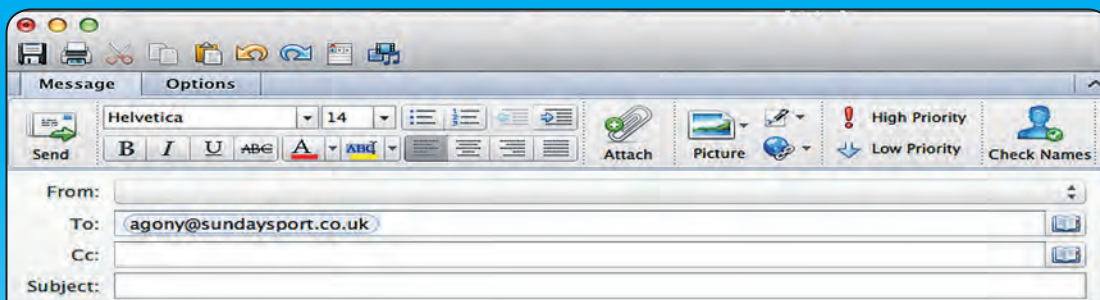

### Sam says...

**EMPLOY** a nanny who looks more like a granny, then you won't be tempted to shag her.

# AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...**

# Should I dump my girl for showing sex film to pals?

**Dear Sam,**

**ME and my girlfriend love a bit of light bondage and enjoy dressing up, role play and watching porn together.**

A couple of months ago she got a new top of the range video camera and said she wanted to film us having sex.

I was totally turned on by the idea and we agreed to play our favourite sex game. I pretended to be a workman who finds a beautiful but frustrated and horny housewife crying out for a good seeing-to.

We set up the camera in the kitchen and she put on her sexiest undies – stockings, suspenders, basque, fluffy mules and a see-through gown over the top.

I got into overalls then went outside and rang the bell.

She came to the front door and got all flirty with me on the doorstep, like I was some stranger that she had the hots for.

Then she let me into the house on the pretext of fixing an appliance.

I was pretending to fix the tumble dryer in the kitchen as she bent over, showing her pert bottom in a tiny black G-string.

I was getting a huge lob-on in my overalls as she writhed around the kitchen, before coming over to me and kissing me deeply.

Then she sank to her knees and released my hard cock before taking me in her mouth – making sure the camera picked up every glistening inch of it disappearing down her throat.

## **Horny**

We were both so turned-on she could sense I was about to blow my load right down her throat, so she withdrew her lips just in time.

We were still horny so we took the camera upstairs and shot another scene.

This time she got dressed in her favourite dominatrix outfit, which is black leather.

She tied me to the bed and took her time pleasuring me with her hands,

tongue and even a small whip she'd bought online.

I was quivering with desire as she straddled my face and let me lick her hard clit till her juices flowed over my lips and chin.

Then she slid onto my stiff cock and bounced hard on it until I felt my balls tighten and could take no more.

She cried out with pleasure as she rode as we both climaxed together.

The problem is, I've since found out that my girlfriend has been showing the clips to her girlie mates!

I'm wondering whether to dump her. What do you think?

*FG, Derby*

**Sam says...**

**STOP moaning.** Most men would love to be shown off to their partner's pals. Maybe she wants one of them to join you for a threesome!

# I can't bear the idea of leaving hot lesbo nurses

**Dear Sam,**

A COUPLE of weeks ago two lovely young nurses moved into the flat above mine.

I saw them arrive and I couldn't believe how pretty they were, so I went to introduce myself. One is blonde and the other a redhead and they both have stunning figures.

We got chatting and I ended up going to the local supermarket for some wine for the three of us. After we'd had a couple of bottles one of the girls told me that they were living together as lesbians, but they occasionally liked cock, too.

Then she asked if I'd like to see what they get up to together. Naturally, I said that I would.

They started kissing and fondling each other's tits and fannies, sliding their fingers into knickers and making them wet with lust, before peeling them off so I could see the lot.

It was like watching a red-hot porn movie but with the attraction of being able to get involved.

While the blonde was licking out her mate I started shagging her from behind. I then had the redhead before they both sucked me off.

But the problem is the company I work for want me to relocate 200 miles away.

What can I do?

*SJ, Bristol*

**Sam says...**

**YOU** will probably have to accept and go, but I'm sure there will be randy nurses there too!

**Dear Sam,**

**THE** only girls I can attract are really fat lasses – and I've shagged loads of them, even though it's hard getting my modest five-inch dick into all those layers of flab.

I have just come out of my apprenticeship as a pipe-fitter and have been given a much-needed and welcome pay rise.

But even with cash in my pocket I can't seem to pull girls with cracking figures.

Still, at least I find the fat girls will do almost anything for a shag.

## **Oral**

As a result I have had more oral sex than a fella could wish for, they love licking dick, it seems.

And anal is often on the cards with the larger girls, too. In fact, I had one recently who would not have sex in any other position!

I lubed her up nicely and plunged my tool up her gaping back passage and pumped away at her ring until she screamed the house down.

But I still yearn for a slim, shapely looker with similar sexual tastes as the tubsters.

Are there any out there? How do I find one?

*TC, Merseyside*

**Sam says...**

**I'd** just take things as they come and think yourself lucky you're getting oral and anal virtually on demand.

# 'I eased him in small dildo and

**...WITH CLARA G, 36C-25-35, FROM FULHAM, WEST LONDON**

**I'VE recently tried a new thing with my fella in the bedroom and it's just so amazingly hot... PEGGING!**

If you don't know what this is, it's when the girl wears a strap-on dildo and does her male lover up the arse.

My bloke loves it. It's all about hitting the male G-spot, which is the prostate, found up the bum.

When we first tried it I eased him in slowly with a small dildo and plenty of lube and he learned to relax.

Next time we went for a slightly larger dildo and I thrust a little more, and he had the most intense orgasm of his life.

I think it takes a confident man to be willing to give pegging a go. Some guys think it means there're gay if they like it, which I think is just silly.

I love the novelty of wearing an erect cock as a woman, and I think it's such a turn on for the gender and power roles to be reversed like this.

It's dominating to be penetrating and thrusting and submissive to receive it. It's incredibly horny to mix things up now and again.

# slowly with a plenty of lube'

Her favourite scenes to film are minge-slurping lesbian and eye-watering anal.

She purred: "I really like it in the ass. Every girl should try it."

And her fave porn stud is Brit Danny D, a man with a monster between his legs.

She said: "His cock is bigger than my forearm, I can hardly take it all in my mouth."

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

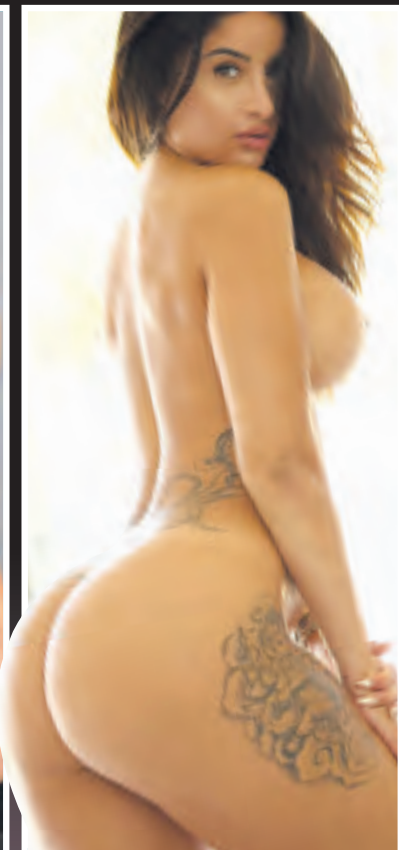

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

GREATEST: Pep Guardiola

## Pep's the best boss of all time says Nev

PEP Guardiola could be the best manager of all time — says Man United legend Gary Neville.

That would put him ahead of Sir Matt Busby and Sir Alex Ferguson along with the likes of Bob Paisley who had an incredible trophy-winning run.

Neville points to the amazing record of the City gaffer in cup finals to back up his claim.

He said: "You just have to recognise Man City's outstanding football, the outstanding achievement of winning the League Cup four times on the bounce.

"Pep Guardiola has an outstanding record in cup competitions, it's 14 victories and one defeat in 15 finals, it's absolutely out of this world. The football they play is magnificent.

"I think Man City may have the greatest manager of all time and we'll look back in 10, 15, 20 years' time.

"Look at the way he has infiltrated countries, dominated football but also influenced others, I don't think I've ever seen it.

### Technical

"You look at how he's won in three different countries, he's now dominating in this country — he's going to win the league title in the next few weeks, that's three in five years and these are massive achievements.

"Playing the way they do, with technical players, dominating possession."

Although Pep has won the Champions League with Barcelona, he needs to lift the trophy at City to join the greats.

Neville added: "The big one is the Champions League and it's a huge couple of weeks coming up against Paris Saint-Germain because if they were to win that, then they would have a great chance.

"That would be the cherry on the icing on the top of the cake of Guardiola's reign at City because I don't think he can leave without winning it. It would feel incomplete if he left this country without winning the Champions League."

# LONDONERS IN CRISIS WITH NO MANAGER

# HODDLE: IT'S

PAINFUL: Harry Kane had an off day in the Carabao Cup final against Man City

## Tottenham legend Glenn blasts his old club on and off the pitch

**TOTTENHAM legend Glenn Hoddle says his former club faces a massive rebuilding job on and off the pitch.**

By PAUL THOMAS

The Londoners are under fire on lots of different fronts.

Their fans are fuming after Spurs were one of the dirty dozen six English sides who were going to join the European Super League.

There were protests after their Carabao Cup final defeat against Manchester City at the weekend.

There were clear shouts of "Levy out" at Wembley and there are likely to be more demonstrations outside White Hart Lane.

And there's a crisis on the pitch too. After losing that cup final, it looks unlikely that Spurs will have European football next season. That

is a major financial hit as well as seeing Tottenham's status fall with potential new signings.

Talk that Harry Kane is running out of patience and will seek a summer move is getting louder by the minute.

They sacked Jose Mourinho just days before that Wembley date and Ryan Mason has a tall order in his first job as interim boss.

Hoddle believes there's a real mess with No1 managerial target Julien Nagelsmann now heading for Bayern Munich.

And the former England gaffer isn't sure that his old club is capable of sorting things out.

He said: "I think they need a real revamp, a rebuild in every depart-

ment of the pitch. And it does not matter who the manager is, they are going to need to spend money.

"They have got a fabulous stadium and training ground, but have they got the intent after a pandemic and losing so much? I cannot see it."

Hoddle is calling for major spending on the playing staff this summer — but he has no faith that it will be delivered.

He added: "There has got to be a reconstruction of the squad.

"I hear 'Tottenham have a great squad', but I do not get that. They have got a couple of great players, but the squad is nowhere near deep enough and there are players there who are just not good enough if you want to get into the Champions League.

"No disrespect, there are players

there who are average Premier League players.

"There is an age problem at the back in the next season or two, the midfield needs some sort of spark and they have to hold on to Harry Kane and Heung-min Son."

Spurs have their glittering new stadium to pay for with chairman Daniel Levy saying the club has lost £120m during the pandemic.

Hoddle thinks that is the perfect excuse to stay out of the transfer market this summer.

He added: "Whether they are going to spend the money to do that, I do not think they will.

"Tottenham are at a bit of a cross-roads now."

The fans had turned against Mourinho and it seemed as though the dressing room had gone too. But

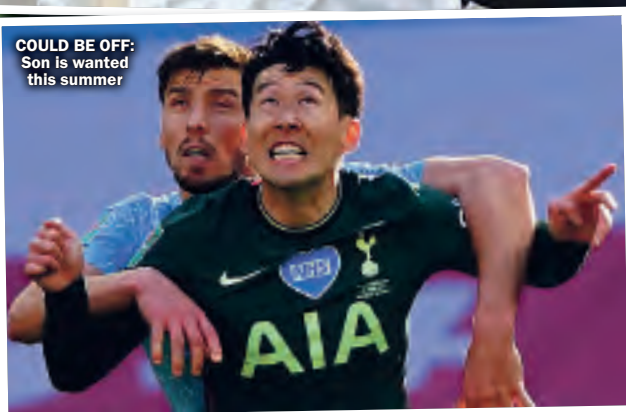

# NO SUPER LEAGUE AND NO IDEA!

# TWADDLE!

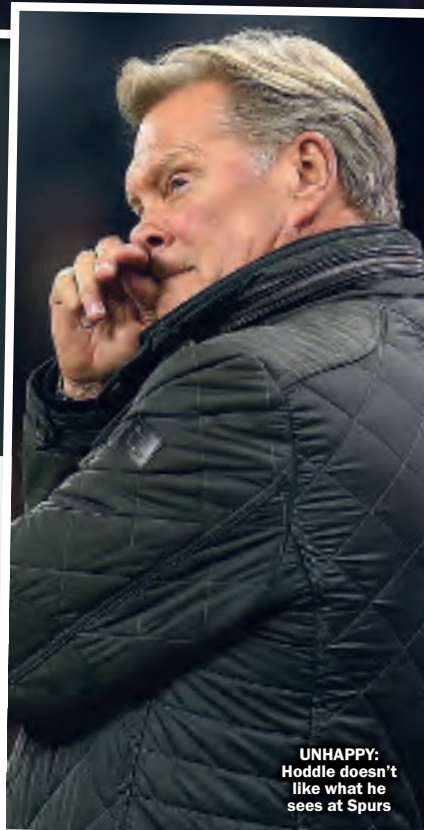

FALL OUT: Mourinho was reluctant to pick Dele Alli

COULD BE OFF: Son is wanted this summer

it seemed strange timing to ditch the Portuguese so close to the club's first chance of silverware since 2008. Putting Mason in charge and expecting him to mastermind victory against Pep Guardiola's City was never likely to work. Hoddle added: "I do not think Jose should have been sacked. Every manager needs time and it is not the Spurs squad that people think. "People talk about how poorly Jose did at Manchester United and I laugh because he came runners-up in the Premier League and won two trophies. "Now any Spurs fan would have settled for that when he arrived." With Nagelsmann gone, Diego Simeone is the new name being linked. It would seem a strange call to

leave Atletico Madrid for Spurs — especially if they manage to win the Spanish title this season. Reports in Spain suggest Simeone is interested in the job after a long spell in Madrid despite the lack of Champions League football. Someone needs to tell the bookies as the former Argentina hardman is still 33-1 to be the next Spurs boss. Former Chelsea gaffer Maurizio Sarri is hot favourite at 5/2 and there has been a move for Ajax's Erik Ten Haag into 3/1. Wolves chief Nuno Santo is 6/1 along with Brendan Rodgers of Leicester. Rafa Benitez is the same price as Mason to keep the job at 12/1 along with Celtic target Eddie Howe. One surprise move has come for Brighton gaffer Graham Potter who is in to 8/1 with some bookmakers.

UNHAPPY: Hoddle doesn't like what he sees at Spurs

TOP GUNNER: Thierry Henry

## Henry: I don't recognise my football club

THIERRY Henry says he "doesn't recognise" Arsenal any more. The Gunners legend is being linked with a new bid to buy the club from owner Stan Kroenke. He is thought to be teaming up with other Arsenal legends Dennis Bergkamp and Patrick Vieira along with Spotify's billionaire owner Daniel Ek who is a lifelong club fan. Henry is fuming about the club's conduct over the European Super League and understands why the fans have been protesting.

He said: "I do not recognise my club and what happened just now, with them trying to join a league that would have been closed, makes no sense to me. "They have been running the club like a company, not a football club, and they showed their hand. "Maybe it's a lack of understanding of the core football values and maybe the money was too big of a temptation. But whatever it was, they got it wrong. Badly wrong. "I was genuinely shocked like most people and couldn't believe what was unfolding. "I have never talked before, but what happened recently made me realise fans, this is your club. It is your club and I'm an Arsenal fan too. "I'm proud of what the fans achieved. Not just Arsenal fans, all the fans. The result was a victory for the club's current

BID: Patrick Vieira

owners say they have no intention of selling the club. Josh Kroenke said: "We were put in a very difficult position by forces outside of the club. We have the same plans for summer that we had several weeks ago and I'm still excited about those. "I might be met with mistrust but over time I hope to establish some relationship with our supporter groups and show them we are capable of taking our club forward."

## Moyes fights to finish

DAVID Moyes reckons the battle for the Champions League places will go right down to the wire. His West Ham side are right in the hunt despite their 1-0 setback against Chelsea at the weekend. But their run-in now pitches them only against teams in the bottom seven which gives them a chance to get maximum points. Moyes said: "Are we still in the mix for top four? Very much so — we want to try and keep going, whether we make the top four or not we want to keep going. "We want to be in the mix for European football so that is the idea. "We've got so close, we're a month away from the end of the season so why would we not try and do it? "We're right in the mix and hopefully we'll start getting some players back over the next four or five games."

# VARANE UNITED!

## Madrid stopper drops Old Trafford hint

**RAPHAEL Varane has dropped his biggest hint yet that he wants to leave Real Madrid.**

That will put Manchester United on alert with boss Ole Gunnar Solskjaer keen on the central defender.

Chelsea are also in the running for the 28-year-old who has been a regular at the Bernabeu since 2011.

By JOHN ANTHONY

The France international who is about to enter the final year of his contract.

That means the Spanish giants know they have to cash in this summer or lose him on a free.

Varane is valued at around £60m and they can't afford to miss out on that kind of payday after the

European Super League plan fell apart.

Real Madrid president Florentino Perez says he won't stand in the player's way.

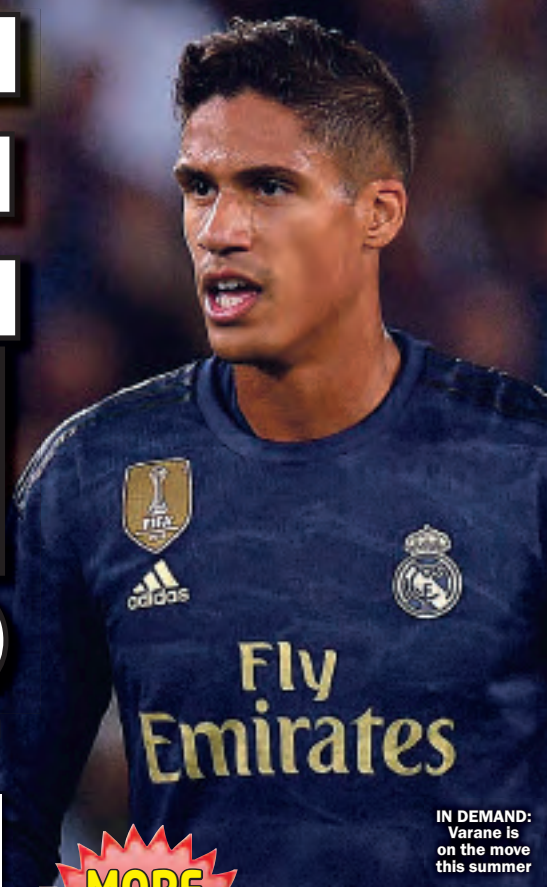

He said: "Varane? If players don't want to stay at Real Madrid then they can leave."

Reports in Spain suggest that Varane has made it clear that he won't be

signing a new deal in the Spanish capital when this one expires.

United would be confident of seeing off Chelsea but would face a bigger fight if Paris St Germain throw their hat into the ring.

Varane is a French international but a move to the Premier League is thought to be more likely.
